Subject: Walmart Bank

To grant Wal-mart the ability to create a bank you are giving them one more way to undermine local economies. How long will we let Wal-mart continue to grow and destroy America and how many more tools will we grant them to achieve these aims. As wal-mart continues to grow their monopoly expands even greater and by granting them the ability to form their own bank we are giving them one more power that they don't need. Please stop Wal-mart expansion before it is too late. We cannot sit idly by as Wal-mart takes over the world and continues to destroy American small town life and culture while simultaneously creating huge economic growth for Communist China.

Thank you,
